The Dewan of Mysore,
Public Offices, Bangalore

Dear Sir,

With reference to the subject of my application for appointment to the Civil Service of His Highness the Maharajah of Mysore, I beg to submit a formal application with a list of my qualifications.

I was born at Bangalore on the 5th June 1909 and was educated at St Joseph's College, Bangalore, at the Presidency College, Madras and at St John's College in the University of Oxford. While at school at St Joseph's, I was placed in the first class in

Middle and High School and Scholarship examinations and secured Honours in the Preliminary, Junior and School Leaving certificate examinations of Cambridge and held three Government scholarships in succession At College, I was placed in the First Class in the Intermediate in Arts with distinction in Mathematics Physics and Chemistry. After obtaining the B.A Honours degree in Mathematics of the University of Madras I proceeded to England where I obtained the B.A. Honours degree in Mathematics in the University of Oxford. At Oxford I also read for the final Honour School of Philosophy, Politics and Economics specialising in the subjects of Public Finance and Statistics which, I understood, would specially fit me for administrative work.

I was elected at Oxford to the George Webb

Medley Scholarship of that University for advanced work in Economics. I had the opportunity at Oxford of working under a wide range of tutors including Dr J. Marschak, Chichele Lecturer in Statistics at Oxford and I shall be glad to forward to you copies of testimonials about my work - academic and otherwise - from these tutors who, I am sure, would be glad to place at your disposal any other information which you may desire of my stay in Oxford.

I am, Sir,

Your obedient servant,

E da Costa
